Information/ Reminders

- Band Boosters will be covering dinner for us at CiCi's Saturday night. However, you will need to bring money for Buc-ee's. We will stop on the way up and back.
- The schedule is subject to change on Saturday. It is a long trip 219 miles. Parents we will update you with a return time once we are on the bus and on our way back home Saturday night.
- WGI Houston is a big show for us. I need everyone at rehearsal on Wednesday, especially if you are marching. We only have one rehearsal to get part 2 on the floor and ready.
- As always, we will load the truck after rehearsal on Friday. Any help we could get loading the truck will help us get out quicker and give everyone more rest for the trip.
- We will depart after our final's performance. We will not stay for retreat (the award ceremony).

DRAFT SCHEDULE - Updated schedules will be released the Thursday morning prior to the event to ensure the most up-to-date classifications for competing groups. Any schedule adjustments (with the exception of those reclassified groups) will be within a 60-minute window of the "draft schedule" performance time.

WGI Houston Percussion & Winds Regional Magnolia West High School

Houston Regional Competition Area Magnolia West | Magnolia, TX

All WGI contest sites must have a minimum of seventy feet by one hundred feet (70' x 100') to accommodate a "safety zone" of five (5) feet from any spectator seating. This will ensure the minimum sixty-foot by ninety-foot (60' x 90') competition area within the minimum seventy feet by one hundred feet (70' x 100') of the contest site. If no spectators are seated on the left and right sides, then the safety zone will be eliminated on the left and right sides of the competition area and extend to the walls.

The competition area at this event measures 60'x100'. All performing groups must be prepared to perform within that area. Floors (tarps) may not extend into the safety zones per rules found in the WGI Adjudication Manual and Rulebook.
